

Touchstone Spain

Spanish Bank Repossessed Hotel Portfolio

January 2020

This is basic information on a portfolio of Repossessed Hotels from several Spanish Banks.

We have more information and some photos.

Our Website www.touchstonespain.com will give you more information on ourselves.

Please read our Welcome to Touchstone Information pack.

The Banks do not release full information on the properties normally until the day of viewing, so buying a Repossession from a Bank requires physical participation rather than arm-chair shopping.

We have little information from the Bank, normally the Urbanisation address, Size and price along with some very poor quality photos taken by the Bank.

On the day of viewing the Bank will arrive with the Keys and Property File.

YOU MUST VIEW A BANK REPOSSESSION TO MAKE AN OFFER!
